- See overleaf for customisation with a wide range of accessories

Wide range of seats available:

Soft seat

With key-shaped cut out.

Soft seat insert

For soft seat with key shaped cut out.

Soft seat small

With small oval opening.

Ergonomic soft seat

Extra soft, textured surface.

Splash guard/Pommel

Simply snap-on, for soft seat with key-shaped cut out.

Universal soft seat

Closed seat surface.

Soft Backrest Cushion

For additional stability and comfort. (Can be used to reduce backrest width)

Snap on backrest!
To reduce risk of cross infection

Variable Horseshoe Soft Seat
Multi adjustable

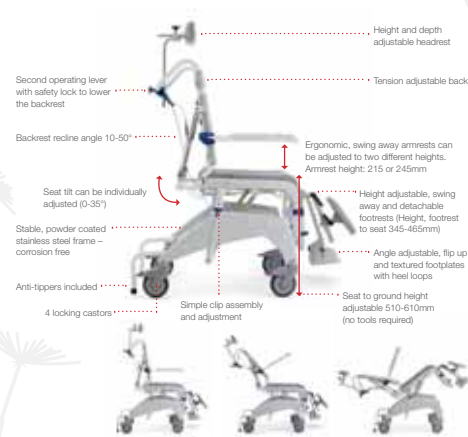

Aquatec Ocean VIP

Key features

- Soft seat with insert, pan and lid as standard (not shown above)
- Extremely stable even at maximum tilt angle
- Can be retrofitted with XL armrests for additional width (user weight 150kg (23 stone))
- Maximum user weight 150kg (23 stone)
- 3 Year warranty

Aquatec Ocean Dual VIP

Key features

- Soft seat with insert, pan and lid as standard (not shown above)
- Extremely stable even at maximum tilt angle
- Can be retrofitted with XL armrests (user weight 150kg (23 stone))
- Maximum user weight 150kg (23 stone)
- 3 Year warranty

Accessories:

Safety belts

For safe positioning, individually adjustable and easy to assemble.

Armrest lock

To lock the armrests.

Safety bar

For additional safety. Soft padded surface. Easy to assemble.

Amputation support

Padded, both height and angle adjustable.

Laterals

Side support reduces the backrest width and can add stability.

XL back

Increase the width of the back by 80mm. Retrofit kit for the Ocean.

Calf support with footrest

Increased support helps distribute load to avoid pressure issues.

Wider XL armrests

Increase the distance between the armrests by 40mm on each side. These can be retrofitted to the Ocean VIP, Dual VIP.

24" wheels (kit)

Including brakes and removable quick release axes.
